CARLOFORTE RED TUNA 350G

The basic prerequisite to guarantee the excellence of the product is the exclusive use of Bluefin quality Mediterranean tuna (*Thunnus Thynnus*) or bluefin tuna from tonnara. Only the most noble parts are selected for our craftsmanship: the tuna is steamed, canned in large containers and, as a fine wine, subjected to seasoning. Then the tuna is canned in smaller containers, covered in olive oil and left to ripen.
